PRODUCT DISCONTINUATION NOTICE
 282 - EcoVue® Ultrasound Gel 32g (1.13oz.) FlexPac® Sterile SafeWrap™
 282NW - EcoVue® Ultrasound Gel 32g (1.13oz.) FlexPac® Sterile

Valued EcoVue® Customers and Distributors:

HR Pharmaceuticals, Inc. has made the decision to **discontinue** the sterile items of the EcoVue® 32g gel packets due to low sales volume. The non-sterile 32g packet, item 283, will continue to be produced without interruption.

Effective June 30, 2021, HR Pharmaceuticals will no longer accept orders for the discontinued items. You may continue to place orders on these items up through June 30th based on product availability. Current users of 282 and 282NW are encouraged to switch to the alternative items listed below.

Item Number	Suggested Replacement	Last Order Date	Last Ship Date
282	280 - EcoVue® Ultrasound Gel 20g Packet Sterile SafeWrap™	6/30/21	9/30/21
282NW	280NW - EcoVue® Ultrasound Gel 20g Packet Sterile	6/30/21	9/30/21

HR® remains committed to providing products that offer value and performance, and we trust that our remaining EcoVue® portfolio is sufficient to meet your ultrasound gel needs. For additional information regarding this notice, please contact your EcoVue® Sales Representative.
